

Babylon

[Verse 1]

D
Friday night I'm going nowhere
G D D G
All the lights are changing green to red
D
Turning over TV stations
G D D G
Situations running through my head
D
Looking back through time
G
You know it's clear that I've been blind
D D G
I've been a fool
D
To open up my heart
G D D G
To all that jealousy, that bitterness, that ridicule
Em

[Verse 2]

D
Saturday I'm running wild
G D D G
And all the lights are changing red to green
D
Moving through the crowd I'm pushing
G D D G
Chemicals all rushing through my bloodstream
D
Only wish that you were here
G
You know I'm seeing it so clear
D D G
I've been afraid
D
To show you how I really feel
G D D G
Admit to some of those bad mistakes I've made
